How the Arabs Retreat. When an Arab tribe is pursued by an enemy they sleep and take their food without halting. That they may not fall from their camels when sleeping they stretch themselves out at length placing their feet in a bag on each side of the animal's neck. Their food is prepared by the women. One mounted on a camel loaded with wheat continues grinding with a hand-mill, and passes the meal to another, who is provided with leather bottles containing After doing a hard day's work, do water, suspended on each side of her not drive them at night, except it is camel; she, having prepared the paste, passes it to a third, who completes the operation by baking the bread in thin silees on a chafing-dish, or a portable oven, which is heated with wood or straw. This bread, with a portion of Light, Handy and Strong, will Outwest and Out cheese and dates, is then distributed finished with a draught of camel's milk. The camels are also milked as they walk, the men using for this purpose large wooden bowls, which are passed from one to another .- N. Y.

The oldest rose in the world is at for them, if he have not got them, ha will get the foryou, or we will send them, ha will get the foryou, or we will send them, ha will get the foryout or we will send them, ha will get the foryout or we will send them. Send allows for our disabilities of Heldershelm, Germany. It's history -To forge a successful chain of evidence requires qualities of the lynx.

He Failed to Mop. In a case of assault and battery in the police court the other day the plaintiff was usked: "How came the defendant to strike

"Why, he just stopped as we were passing and hit me." "There was no provocation?" "Not the elightest." "You hadn't said any thing?"

"Why you." "Oh, you had? What had you said?" "I told him that I could mop the troit Free Press.

RICHMOND, KENTUCKY.

Paris, promises to be one of the largest and most successful of the World's of place. But abstract theories do not kill the weevil in a few hours. Then the hands of a credulous public. They are intural, Stove, House Furnishing and Tinware House in Richmond.

> AS WELL AS ONE OF THE OLDEST, HAVING BEEN IN THE SAME LINE OF BUSINESS FOR 20 YEARS OR MORE IN THIS TOWN.

His stomach hollows so far in toward all kinds, as well as IRON and BLACKSMITH and WAGON MAKERS' MATE-his spine that he can't tell the differ- RIAL. Also a LARGE and FULL LINE of all goods in other lines that we handle. Special attention given to furnishing Nails, Hinges, Bolts, &c., for Tobacco

Barns. We are the agents for the most celebrated Farming Implements and Machinery.

The Housekeeper can find all she wants for kitchen or dairy.
